

The Jamestown

The Jamestown

With three bedrooms and two full baths on the first floor, the Jamestown provides all the room that a family needs to get started. If that is not enough room, finish the upstairs of this Cape Cod with an additional bedroom and bath plus a bonus area large enough to entertain your child's entire class.

All home elevations are artist renderings and may vary from actual construction. All floor plans and room sizes are approximate. All information contained is the sole property of HandCrafted Homes
