

## The Magnolia

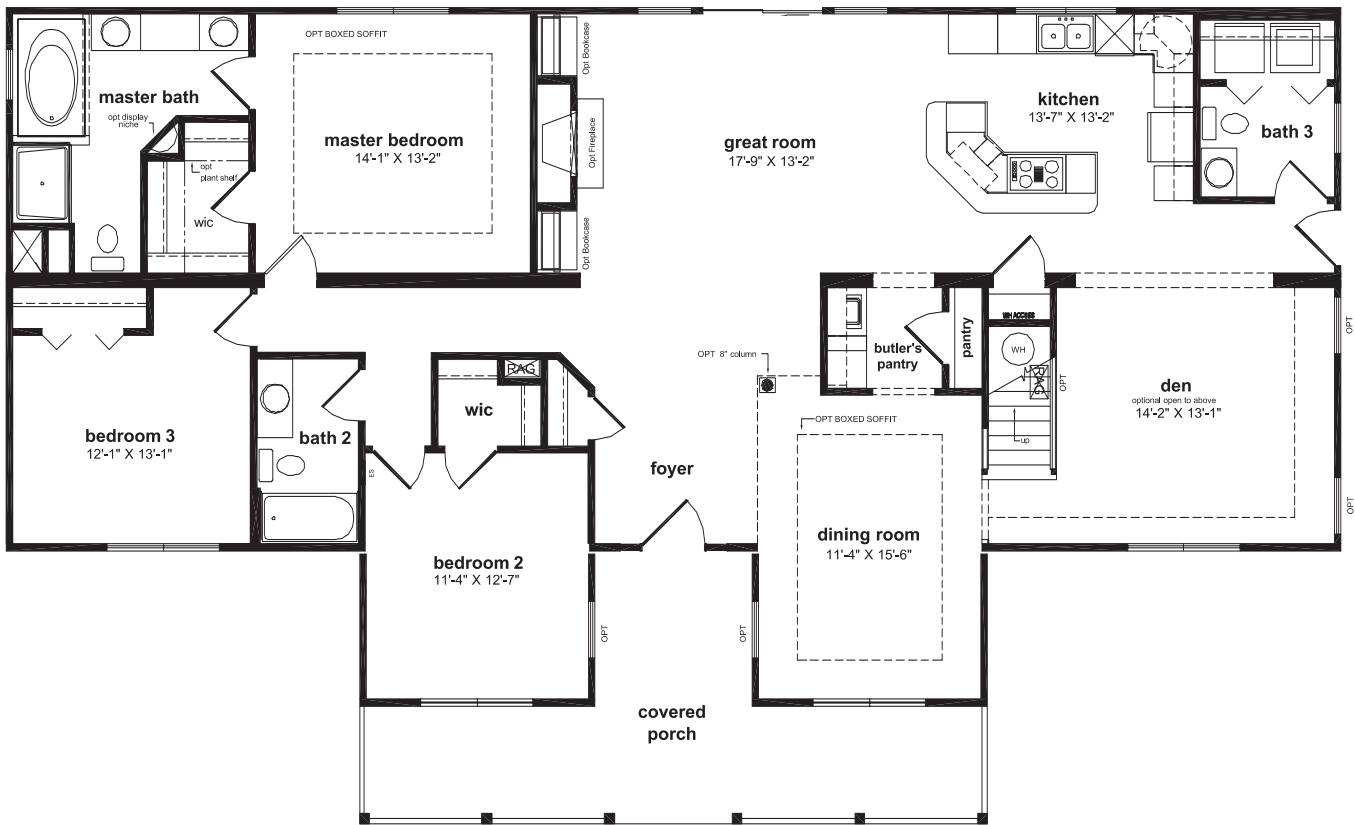

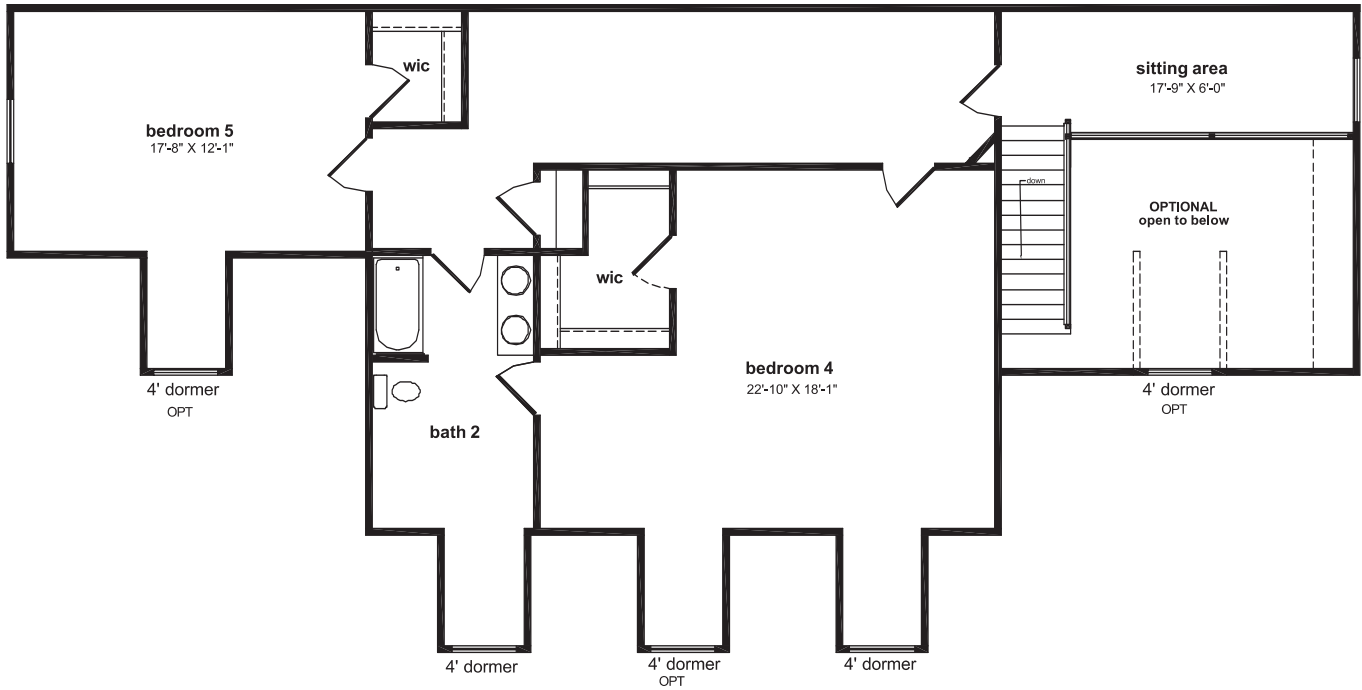

This majestic home built by HandCrafted Homes offers you over 3,200 square feet of living space. The front entrance with its built-in porch welcomes you into the living area. The island kitchen, separate butler's pantry and formal dining room allow for the perfect home for entertaining. This home has bonus space galore and a very unique feature in the den – a vaulted ceiling complete with balcony. The curb appeal this home offers is just the beginning of its offerings to the right family.
